Are you a positive, caring and patient person looking for a role where you can make a real difference and help people achieve their desired goals? If so, we'd love to hear from you.

We are looking for a Support Worker to provide support to six people living in their own flats within one building in Colwyn Bay. The support varies from enabling access into the community, promoting the individuals to make their own choices and ensuring medication, finances etc are dealt with effectively.

Any experience with learning disabilities would be great, but is not essential as full induction, training and ongoing support will be provided. However this role does require a driver.

We are a fantastic organisation to work for: a local charity with a focus on person-centred support. We are a Platinum Investor in People and received a rating of excellent in all three categories in our last CIW inspection.

If you would like an informal chat about the role, please give the Service Manager Nic a call on 01745 584 527. There is also more information available on our website https://www.cartrefni.com/, including a full job description and person specification.

To apply, please either use the easy online form on our website or give our office a call on 01745 584 527 and we will send you a paper form.

More detail on our hourly pay rates –

- Basic rate, for those working towards adult social care qualification – £13.45
- For those with Level 2 adult social care qualification – £13.85
- For those with Level 3 adult social care qualification – £14.50
- Sleep in – £8.21

We are passionate about learning and development so we will support you to achieve the qualifications above and the higher pay rates that go with them.
