Cartref Ni

Are you a positive, caring and patient person looking for a role where you can make a real difference and help people achieve their desired goals? If so, we'd love to hear from you.

We are looking for a Support Worker for two ladies and one gentleman with learning and physical disabilities to continue their homelife and community enjoyment. Having historically lived in institution they are now valued members of their community and welcome staff who have a fun, patient and thoughtful manner.

Any experience with learning disabilities would be great, but is not essential as full induction, training and ongoing support will be provided. However this role does require a female member of staff who is a driver.

We are a fantastic organisation to work for: a local charity with a focus on person-centred support. We are a Platinum Investor in People and received a rating of excellent in all three categories in our last CIW inspection.

If you would like an informal chat about the role, please give the Service Manager Gwyn a call on 01745 584 527. There is also more information available on our website <https://www.cartrefni.com/>, including a full job description and person specification.

To apply, please either use the easy online form on our website or give our office a call on 01745 584 527 and we will send you a paper form.

Please note you will work and attend meetings in Flintshire, with only very occasional travel to the office in St Asaph for training.

More detail on our hourly pay rates –

- Basic rate, for those working towards adult social care qualification – £13.45
- For those with Level 2 adult social care qualification – £13.85
- For those with Level 3 adult social care qualification – £14.50
- Sleep in – £8.21

We are passionate about learning and development so we will support you to achieve the qualifications above and the higher pay rates that go with them.
