Are you a positive, caring and patient person looking for a role where you can make a real difference and help people achieve their desired goals? If so, we'd love to hear from you.

We are looking for a Support Worker for two ladies and a gentleman living in Llysfaen. All lead active lives, enjoying a variety of activities. One lady has a love of motorbikes and enjoys visiting bikers cafes to watch the bikes and enjoy a cup of tea. The other lady enjoys anything that involves a coffee and cake. The gentleman has a love of theme parks and fast rides so someone who loves Alton towers would be good.

Any experience with learning disabilities would be great, but is not essential as full induction, training and ongoing support will be provided. However this role does require a female member of staff who is a driver.

We are a fantastic organisation to work for: a local charity with a focus on person-centred support. We are a Platinum Investor in People and received a rating of excellent in all three categories in our last CIW inspection.

If you would like an informal chat about the role, please give the Service Manager Nic a call on 01745 584 527. There is also more information available on our website <https://www.cartrefni.com/>, including a full job description and person specification.

To apply, please either use the easy online form on our website or give our office a call on 01745 584 527 and we will send you a paper form.
