We are looking for a Support Worker for two gents living in Prestatyn. One enjoys painting and looking at art in all formats, and requires support to overcome his anxieties to get the best out of life. The other gent enjoys drives out, people watching and nice food.

Any experience with learning disabilities would be great, but is not essential as full induction, training and ongoing support will be provided. However this role does require a driver.

We are a fantastic organisation to work for: a local charity with a focus on person-centred support. We are a Platinum Investor in People and received a rating of excellent in all three categories in our last CIW inspection.

If you would like an informal chat about the role, please give the Service Manager Ruth a call on 01745 584 527. There is also more information available on our website <https://www.cartrefni.com/>, including a full job description and person specification.

To apply, please either use the easy online form on our website or give our office a call on 01745 584 527 and we will send you a paper form.

More detail on our hourly pay rates –

- Basic rate, for those working towards adult social care qualification – £13.45
- For those with Level 2 adult social care qualification – £13.85
- For those with Level 3 adult social care qualification – £14.50
- Sleep in – £8.21

We are passionate about learning and development so we will support you to achieve the qualifications above and the higher pay rates that go with them.
