Are you a positive, caring and patient person looking for a role where you can make a real difference and help people achieve their desired goals? If so, we'd love to hear from you.

We are looking for a Support Worker for a gentleman who lives in his own home in Rhuddlan. He is very active and enjoys a variety of activities including walking, horse riding, swimming, visiting the zoo and picnics out. Keeping busy is important to him, and he attends work opportunities. The successful candidate will demonstrate an ability to be flexible and adaptable to meet the needs of the gentleman

Any experience with learning disabilities would be great, but is not essential as full induction, training and ongoing support will be provided. However this role does require a female member of staff who is a driver.

We are a fantastic organisation to work for: a local charity with a focus on person-centred support. We are a Platinum Investor in People and received a rating of excellent in all three categories in our last CIW inspection.

If you would like an informal chat about the role, please give the Service Manager Jackie a call on 01745 584 527. There is also more information available on our website https://www.cartrefni.com/, including a full job description and person specification.

To apply, please either use the easy online form on our website or give our office a call on 01745 584 527 and we will send you a paper form.
